

Stay Safe Online

- 1 Keep your personal information safe
- 2 Protect your password
- 3 Remember that not everyone online is who they say they are
- 4 Never agree to meet up with anyone you have met online
- 5 Never open emails from people that you don't know
- 6 Always ask permission to use the Internet and ask an adult which websites you can visit

If you see anything on the internet that makes you feel uncomfortable, tell an adult that you trust.
