

# Take Away Homework!

## Choose your creative challenge from the menu below:

The Peri-ometer suggests the difficulty or challenge the homework may offer. Over the half term you should attempt at least one 'HOT' and an 'EXTRA HOT' task! This homework is completely optional, but it is filled with lots of fun and engaging activities to keep you busy at home!

**Remember:** TT Rockstars and Reading Plus should be accessed weekly. Make sure you read to an adult to make your way around the reading challenge. (Don't forget to ask them to sign it.)

<p><i>Design your own species of animal! Explain how they adapt to their environments and how they have changed overtime.</i></p>	<p><i>Create a family tree of characteristics! Start with your (and your siblings) at the bottom and work your way up through the generations to see how characteristics have been passed down!</i></p>	<p><i>Future evolutions! Think about ways in which you would like humans to evolve in the future to make it easier for them to live in a modern world.</i></p>
<p><i>Darwin's Finches. Make a poster on Darwin's findings about finches and how they have evolved.</i></p>	<p><i>Design a new plant that will thrive in its given environment.</i></p>	<p><i>Research 3 scientists that studied evolution.</i></p>
<p><i>Make a posting outlining what evolution is.</i></p>	<p><i>Create a bank of key vocabulary for the Evolution topic.</i></p>	<p><i>Create a 10-question quiz about evolution to ask to a friend or family member.</i></p>
<p><i>Create an evolution themed wordsearch.</i></p>	<p><i>Create a timeline of how humans have evolved (or choose your own species to create a timeline about!)</i></p>	<p><i>Watch this Introduction to Evolution video and write down 5 key facts from it!</i> <a href="https://www.youtube.com/watch?v=vbKpu8QTn5I">https://www.youtube.com/watch?v=vbKpu8QTn5I</a></p>
