

Children's School Improvement Plan

Helping to make sure you have exciting dreams and goals for the future.

We are doing this by:

- Having someone who is in school all the time to help you if you feel worried or anxious.
- Working with your parents to help them get support by talking to different experts so you are safe and have everything you need.
- Having a new set of values which will help you become strong, caring pupils who are excited by learning and opportunities in life.

What are we doing to make Longmoor the best school it can be?

Making sure we look after you!

We are doing this by:

- Making sure all of our IT is up to date and that you are kept safe from harmful ideas and sites on the internet.
- Have lots of opportunities to have Lego sessions, Forest schools and Nurture groups.
- Continue to use DRUMBA lessons to keep you fit and healthy.
- Having a new Behaviour Policy that keeps everyone happy and safe and stops others interrupting your learning.

Helping to improve the teaching in school so everyone makes progress

We are doing this by:

- Looking at how we teach you Maths so we know you complete all the different topics and have chance to practice your skills.
- Using Rainbow Grammar to help you feel more confident with writing.
- Make sure that everyone in EYFS has the chance to practice mark making and writing.
- Helping you with reading by organising groups and increasing opportunities to read.
- Checking that our curriculum is as exciting as it can be by spending time with teachers to improve the resources and plans.

Making sure our curriculum is exciting.

We are doing this by:

- Keep looking for ways to make our curriculum exciting and interesting.
- Using the outdoor area and Forest schools as much as we can.
- Using money for more WOW days to help you learn in fun and exciting ways.
- Finding ways to help you all know your phonics and times tables.

Improving school attendance.

We are doing this by:

- Encouraging everyone to come to school.
- Rewarding classes and children who have great attendance with special treats, certificates and medals.
- Sharing the importance of attending school with your parents.
