

Eleanor English

Eleanor adores Writing! She enjoys writing in different genres - poetry, fictional stories, factual reviews and playscripts. She will write about absolutely anything!

Eleanor wants you to always remember your punctuation and to push yourself to include as many different skills as possible. She insists you always use capital letters and full stops. Eleanor will be proud of you for always attempting to use interesting vocabulary, remembering a range of sentence openers and encourages you to use the very best handwriting you can!
