

February and March Newsletter (Spring 2)

I really hope that this new term has better weather! There have been so many wet days in January and February we must be due some sunshine and warmer weather soon. We desperately want to be able to enjoy lunchtimes outside with all the new exciting equipment and plans as part of OPAL. Fingers crossed we have more sunshine which makes everyone feel so much brighter.

Ofsted Inspection

Thank you so much for the positive and supportive comments you made both verbally and through Parent View during our recent inspection. I'm hoping that the final report can be shared with you all very soon. As the process of inspections has changed, I will send both the report and a covering letter to explain the new grading system as the categories and titles have been adapted and amended quite considerably.

Dates for your diaries
