<b>Committee</b>	Online Safety Group	<b>Date</b>	Tuesday 18 <sup>th</sup> June 2019
<b>Chaired by</b>	R Wheatley	<b>Clerked By</b>	A Hughes
<b>Present</b>	R Wheatley, A Hughes, S Dainty, B Lyons, D Mears, S Tuck, A Frost, Callum C, Demi S, Kirsten F, Dylan B, Grace M. Harry O, Tomasz W, Yan L, J Tennant, Harry H, Archie T		
<b>Apologies</b>	J Magee		
<b>Absent</b>			

➤ **Welcome:** 3.47pm meeting opened by Mr Wheatley. Everyone introduced themselves to the group.

➤ **Review of actions from previous meeting:**

*ACTION: School council to make sure that a standing item is added to the next agenda. AH suggested that all school council members to ask Mrs Hamer to add this to the next school council meeting.*

Grace Mann spoke to Mrs Hamer and this was agreed.

AH has contacted RH again regarding this matter and she has said that this can be easily added to the school council meeting agendas.

*ACTION: BL to find out when the next digital leaders event will be taking place.*

10<sup>th</sup> July Draycott. This will only involve Y5. Meet with Mr Lyons on Friday 21<sup>st</sup>.

*ACTION: BL to investigate ways to promote active usage of digital / computing in school along with the committee. Possible use of a display to promote / encourage this incentive across school.*

Mr Lyons has been researching displays within school and has identified a possible display board to use. The whole of the committee to meet Mr Lyons Thursday 20<sup>th</sup> July 12.45pm

*ACTION: BL to gather the online safety committee together to promote effective use screen time.*

Mr Lyons has been researching displays within school and has identified a possible display board to use. The whole of the committee to meet Mr Lyons Thursday 20<sup>th</sup> July 12.45pm

*ACTION: AH to distribute the new policies to all staff/governors and to ensure that the AUP has been signed.*

AH has completed this action. All staff have signed the new agreement. AH will make sure that the new staff member introduction pack has the updated policy and agreement.

*ACTION: AH to organise the information required for all children/parents/carers to sign the new AUP at the April Parents' Evenings. AH to send via ParentMail the policies in order for all parents to have time to read the information prior to attending their child's appointment.*

AH has completed this action. All parents and children attending signed the relevant agreement. AH to collect the envelopes to identify missing agreements. File signed agreements in the pupil's information folders held in SD's office.

*ACTION: Provide a copy of the AUP as a poster to be displayed in each classroom by the computer areas.*

AH provided copies of the agreement for classrooms to display but will send a more prominent copy to display on classroom noticeboards.

### **How can we raise the profile of online safety in every class? Areas in school?**

*ACTION: AH to add a link to the school's online WHISPER tool to each class page.*

AH has completed this action and all class pages have the same information and links at the bottom of each of the pages.

*ACTION: DM to organise poster competition so that they can be placed on the iPad trolleys and laptop trolley.*

The children have met with Mrs Meers and have narrowed down a selection. Voting will take place soon.

*ACTION: BL to organise differentiated reading record book stickers to promote online safety.*

Not completed.

### **Training for staff and parents**

*ACTION: Investigate possibility of getting an outside provider to come into school to provide workshop for parents/carers.*

AH has researched how much an outside provider would charge. Be Internet Legends charge £325 for a parent information workshop.

➤ **Concerns from staff/pupils/parents**

**Fortnite Concerns**

*ACTION: AH to organise a letter for parents about Fortnite.*

Letter sent to parents as well as National Online Safety poster added to school website online safety page

**Spending thousands on Fortnite?**

The amount of children who say they have spent money in their games (particularly Fortnite) is staggering, some deliberately (they were allowed to) and some not so. Some don't understand that V-Bucks and Robux equate to real money. There's a lot of work to do here from parents not having their credit cards stored in devices that the children can access, through to the consoles and games developers imposing limits and much more. Until this happens the games companies are making serious amounts of money out of children.

**Tik Tok**

SD brought up the Tik Tok app as a parent spoke to her regarding nursery rhymes being changed to having inappropriate lyrics.

**ACTION: AH to sort letter / information to parents about safety advice.**

**ACTION: AH to sort age restriction letter for parents to go out before summer holidays.**

**YouTube**

Mr Wheatley asked the children if the children would know what to do if they were concerned about something that was worrying them. All were confident in being able to deal with any problems.

➤ **Online Safety Issues Since the Last Meeting**

AH spoke of one issue that had happened recently involving two children making and posting videos on YouTube. Both children were unkind to one another. One child had

made the video whilst in their school uniform. AH explained the actions that she had taken especially in light of one of the children unknowingly giving out personal information.

Tomasz spoke about an online safety video that he had seen in his online safety lesson last week which involved a child giving out personal information.

Mr Wheatley spoke about advice that he had seen about taking selfies or making videos with street signs in the background.

➤ **Review of the year**

- AH suggested using staff and pupil questionnaires to assess the views and opinions of all stakeholders across school.

**ACTION: BL and AH to select small groups of children to use the surveys with.**

**ACTION: AH to collate results to feed back to parents, staff and children at the beginning of the next year. This could accompany the online safety committee introduction letter at the beginning of the new term.**

Mr Wheatley asked that the boy/girl and class sections to be removed.

- AH shared a document which has been produced by RM. Very useful especially the reflective questions pages: 8, 11, 14 and 17.

**ACTION: AH to send an electronic copy to all committee members.**

Mr Wheatley used the reflective questions to review what we do really well in school. He thanked the children particularly for their support as they are in the know of new issues that are coming to light.

**ACTION: AH to review the dolphin safety button. New Red Button is now available.**

**AH to speak to AIT to roll out across school when all new equipment is in place.**

- AH thanked the Y6s for their hard work over the last year.

➤ **AOB:**

**ACTION: Jack T to bring in his PEGI rating information to clarify the age restriction details.**

ACTION: AH to contact AIT to see if there is any way that if unsuitable websites have been accessed in school

- **Date of the next meeting:** The next online safety group meeting - to be confirmed at the beginning of the new term in September.

### **Key Points Achieved**

- ✓ Review of online safety incidents since the last meeting.
- ✓ Reviewed the actions of the committee this year.
- ✓ Discussed online safety issues since the last meeting.

Meeting concluded at 4.35pm
