

Road Safety around School

The roads around school are very busy at drop off and pick up time, so we kindly ask parents to drive and park considerately to ensure our children are safe. Please agree to:

- ❖ Park courteously, being mindful of local residents and neighbour's properties / drives.
- ❖ Not park on yellow zigzag lines outside of school (Newstead Road).
- ❖ Not park on double yellow lines on the corners of Wellington Street.
- ❖ Only drive and park on the school site in an **emergency situation only**, respecting the 5mph speed limit.
- ❖ Only park in the disabled bay if entitled to and with a blue permit on display.
- ❖ Not use the carpark for collection or drop off for pupils at after school or breakfast club.
