**Welcome back after the half term holiday. We hope you had an enjoyable break and that your child is ready for another exciting half term of learning!**

## Maths

The children will be focusing on Area followed by Multiplication and Division. Please continue to practise time tables with your child as this helps them with their work in class and helps towards their Golden Time target. Your child has got their TT Rockstars username and password in their reading record.

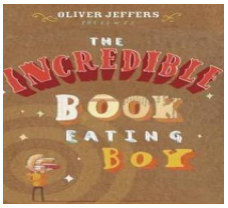

## PE

This term the children will be learning Drumba and we have a coach in PE. Monday is outdoor PE and Wednesday is indoor PE. Please ensure that your child wears a suitable outdoor PE kit for outdoor lessons including jogging bottoms, a jumper/hoodie and a coat. If they have a water proof jacket, they are welcome to bring it in too. Please make sure these are labelled.

## Literacy

Our literacy lessons start by focusing on 'The Incredible Book Eating Boy' which is linked to our Science topic.

## Homework

Our Literacy homework follows the Nando's theme and is optional. Children are given a list of tasks to choose from. Numeracy Homework will be based around TT Rockstars.

## Reading

Please listen to your child read at home and sign their Homework diary every day. The children also have their Reading Plus log ins so they can access this reading platform easily at home. All classes have a reading challenge and the children receive a free book if they progress all the way round.

## Science

Our new science topic is 'What happens to the food we eat' We will focus on the different parts of the digestive system, the different types of human teeth and their function and will finish the topic learning about food chains.

## Topic

This half term, we will be learning about the Ancient Greeks, and thinking about '*What did the Ancient Greeks bring to the world?'.* The children will be learning about how advanced the Ancient Greeks were, what everyday life was like for Ancient Greek and who were the Athenians and Spartans.
